

Craftworker Training HGV Mechanics

Following the successful launch of our Craftworker Training program in 2018, National Vehicle Distribution are currently recruiting for trainee HGV Mechanics for our Craftworker training program commencing January 2020. The successful candidates will be based at our state of the art workshop located at Baldonnell, Dublin where we provide operational support to our modern fleet of Scania, Mercedes & Renault Trucks.

We are seeking candidates who have the required interest & commitment and who are prepared to put in the necessary effort to acquire a skill and achieve a qualification for life. Successful candidates will have a technical and mechanical aptitude, display maturity, have a positive attitude and a willingness to learn.

NVD are an approved City & Guilds Learning Centre. As part of your training we will deliver Levels 1, 2 & 3 in the chosen trade discipline. City & Guilds trade qualification certificates have National & International recognition and are a compulsory requirement for a Craftsperson status. The 3-year training program comprises of classroom & on the job modules which will entail periods of study & practical workshop experiences.

The NVD craftworker training program will not require a lifetime commitment to the company, however, it will require you to be the very best you can be in return for an educational experience that will last a lifetime.

Established over 35 years ago, NVD have a history of successfully delivering training, in state of the facilities, to the highest professional level. This is a fantastic opportunity to be part of something special at NVD.

Why not take a different route and earn as you learn with the best of both study and working life with National Vehicle Distribution.
